OTTAWA REGIONAL CANCER FOUNDATION

The Ottawa Regional Cancer Foundation is the voice for cancer survivorship in Eastern Ontario. Their mission is to help people living with cancer by providing local residents with increased access to person-centered care through the delivery of the Cancer Coaching Health and Social Care Service, innovative cancer research and a world-class clinical trials program.

The Cancer Foundation's Work and Cancer Survivorship program is designed to help navigate the physical and mental challenges of returning to work after cancer treatment. Throughout coaching sessions patients not only receive support from the Cancer Coaches, but gain understanding from other survivors who have made the transition back to work. The Cancer Foundation's Cancer Coaching programs are only possible with the support of generous donors.

At Welch LLP, we strive to make a difference and believe that it is our responsibility to give back to the community. Community leadership is a central component of our vision for Welch LLP, and each year we are fortunate to sponsor numerous charitable events within the community. The Grand Casino raises funds to support the Ottawa Regional Cancer Foundation's Back to Work Program, which provides the education and support needed to transition back into the workplace after undergoing cancer treatment.
